PROJECT DESCRIPTION

Design of a Balkan Art & Culture WEB, informing Balkan capitals in real time with the most important and last developments on art & culture.

Organizing a Balkan meeting with the participation of all Mayors and Departments of Art and Culture, to discuss and launch the "Cultural Capital of Balkan" project. Hopefully in the coming years countries will also attain agreement about the "Biennale Balkan Art", a project to be developed in the coming years.

OVERALL OBJECTIVE

Build a socio-cultural and artistic network platform, which promotes cooperation, exchange of knowledge and development of a cultural market among the Balkan's Capitals, in the context of a regional integration vision.

PROJECT IMPLEMENTATION MODALITY

The project aims to establish a cultural information network, between the Departments of Art & Culture of the Balkan capitals countries. Further, it proposes a meeting of all Balkan capital mayors and department of art & culture, to reach an agreement about a joint annual initiative: "Balkan Creative Cultural Capital". Finally it includes also the design and maintenance of a web page on the subject.

PRELIMINARY IMPACTS

- Promotion of contemporary art and Albanian artists in the Balkan region
- Information and awareness of the public about Albanian in relation to the Balkan art achievements (contemporary art).
